Authorities in St. Cloud and Waite Park continue to investigate a series of on-going acts of vandalism at the First Fuel Bank locations in these cities. Vandals continue to destroy the restrooms at various sites, however, the most frequent damage is done to the station on Division Street. This vandalism has been occurring off and on since the summer of 2001.

These are some pictures of the most recent damage done to the Division Street and Waite Park sites. These crimes occurred in March and June 2003.
